Introduction workshop

Thursday 2, 16 February, 2, 16 March, 2023

10am – 4pm at Domain House

Instructor's Name: Craig Lidgerwood

Subject: Introduction – please bring a couple of truss tomatoes as a subject

Class Description:

This face to face beginners class will introduce participants to the necessary observation, composition, drawing and painting skills to develop a botanic artwork using a variety of materials and techniques. Participants will be introduced to shading, toning and colour techniques to create a 3-dimensional artwork that is both illustratively realistic and artistic.

Outcomes:

Participants will have the skills to identify and develop a botanic artwork with fine attention to detail, and the confidence to develop their own individual style.

Class structure:

During this face to face class we will develop techniques, discuss approaches and begin to understand the materials utilised to create a finished botanic artwork.

The following will be covered:

1. Choosing a subject and developing a composition;
2. How to approach a subject and plan a painting;
3. Observing natural shapes and forms;
4. Shading and light values;
5. Transferring techniques;
6. The principals of washes and dry brush work;
7. Developing a watercolour artwork.

Time will be set aside to review work, provide feedback, discuss progress, and answer questions.
